**Qualifications required:**
- Must hold a research doctorate in medical sciences.
- Must meet the conditions for supervising an internship.
Applications:
Candidates are requested to send their applications electronically to the following address: Postesacademiques@uliege.be with a copy to Ms. Elisabeth Scherlizin - E.Scherlizin@uliege.be by 9 March 2020 at the latest.

Required documents:
- Applications should be accompanied by a complete curriculum vitae;
- A report on past and current research activities and a research plan, including the envisaged integration within the University of Liège;
- A teaching dossier including a report on any previous teaching activities and a teaching plan;
- A copy of publications.

Conditions of recruitment:
The position shall be assigned either from the outset on a permanent basis or for a fixed term of four years, which may lead to the permanent appointment of the person concerned. In the case of a four-year appointment, an evaluation of the person concerned will be carried out at the end of the third year.
- If the evaluation is negative, the person concerned will complete the four-year term but will not be able to extend it.
- If the assessment is positive, the person concerned shall be appointed on a permanent basis.
