Academic vacancy in the field of Process Control and Quality of Biosourced Products in a context of Digital Transition

*Start date:* 01/09/2020

*Vacancy Reference:* GxABT2020-1

Description of the course load:

A full-time, indivisible position in the field of *process control and quality of biosourced products in a context of digital transition*, within Gembloux Agro-Bio Tech. This includes teaching, research and service to the Community.

The proposed post will aim to teach and develop innovative integrated approaches to meet the demands of business and society as a whole.

**Teaching activities:**
Information available from 10 February 2020

**Research Activities:**
Information available from 10 February 2020

**Community-related activities:**
Information available from 10 February 2020

Qualifications required:

Information available from 10 February 2020

Selection procedure:

Each candidate’s application will be examined by a faculty committee in charge of selecting the candidates to be interviewed, giving reasons for its decisions with regard to this vacancy announcement and the qualifications and merits of the candidates. The Faculty Committee shall interview the candidates, in particular concerning their curriculum vitae, their teaching, research and integration plans for the Institution and their command of English. The interview shall include a “public lesson”, which shall be organised by the Faculty committee.

Applications:

Candidates are requested to send their applications electronically to the following address: [Postesacademiques@uliege.be](mailto:Postesacademiques@uliege.be) with a copy to the GxABT Deanship - decanat.gembloux@uliege.be by 30/03/2020 at the latest.
Required documents:

✓ a complete *curriculum vitae*;
✓ A cover letter setting out the candidate’s personal aspirations with regard to the proposed position;
✓ A report on past and current research activities and a research plan, including the envisaged integration within the University of Liège;
✓ A teaching dossier including a report on any previous teaching activities and a teaching plan;
✓ A complete list of the candidate’s publications and a copy of the five publications they consider to be most significant in relation to the area in question.

Conditions of recruitment:

The position shall be assigned either from the outset on a permanent basis or for a fixed term of four years, which may lead to the permanent appointment of the person concerned.

In the case of a four-year appointment, an evaluation of the person concerned will be carried out at the end of the third year.

- If the evaluation is negative, the person concerned will complete the four-year term but will not be able to extend it.
- If the assessment is positive, the person concerned shall be appointed on a permanent basis.

Information:

Further information can be obtained from Professor Frédéric Francis, Dean of the Faculty *(doyen.gembloux@uliege.be)*

Salary scales and application procedures are available from the human resources department of the University: Ms Ludivine Depas - tel: +32 4 366 52 04 – Ludivine.Depas@uliege.be
