  ▪ Orthopaedic pathologies including physical medicine [18h Th.]
  ▪ Integration of knowledge including learning clinical reasoning and diagnostic IV [50h ARC]
  ▪ Observational placement in Medicine IV [50h St]
  ▪ Surgery: integration of reasoning and clinical approaches
  ▪ Placements in hospital surgery
  ▪ Placement to prepare for the speciality
✓ Advanced Master’s:
  ▪ Chair of the Advanced Master’s in Orthopaedic Surgery
  ▪ Member of the jury for the Advanced Master’s in Surgery
  ▪ Member of the jury for the Advanced Master’s in Physical Medicine and Rehabilitation

Research Activities:

The applicant may propose new research directions, which will be submitted for consideration.
Services to the Community:
- Management of the university hospital service of Musculoskeletal Surgery at the CHU of Liège;
- Active participation in the Faculty of Medicine and the Department of Clinical Sciences;
- Supervision of doctoral theses and dissertations;
- Participation in various committees and commissions;
- Promotion of education and the institution.

Qualifications required / profile:
- The successful applicant must hold a research doctorate;
- must meet the conditions for supervising an internship.

Selection procedure:
Applications will be subject to a pre-selection on the basis of a dossier. Successful candidates will then be invited to an interview which may include the presentation of a public lecture.

Applications:
Applicants are requested to submit their applications electronically, to the following address: Postesacademiques@uliege.be with a copy to Ms Elisabeth Scherlizin - E.Scherlizin@uliege.be no later than 28 February 2021.

Required documents:
- Applications should be accompanied by a complete curriculum vitae;
- A report on past and current research activities and a research plan, including the envisaged integration within the University of Liège;
- A teaching file including a report on any prior teaching activities and a teaching plan;
- A plan for the direction and management of the university hospital service;
- A copy of publications.

Conditions of recruitment:
The position shall be assigned either from the outset on a permanent basis or for a fixed term of four years, which may lead to the permanent appointment of the person concerned.

In the case of a four-year appointment, an evaluation of the person concerned will be carried out at the end of the third year.
- If the evaluation is negative, the person concerned will complete the four-year term but will not be able to extend it.
- If the assessment is positive, the person concerned shall be appointed on a permanent basis.

Our institutional policy is based on diversity and equal opportunities. We select candidates according to their qualities whatever their age, sexual orientation, origin, beliefs, disability or nationality.

Information:
Any further information can be obtained from the Faculty of Medicine, Ms Elisabeth Scherlizin - tel: +32 4 366 42 99 – E.Scherlizin@uliege.be
Salary:

Salary scales and how they are applied are available from the human resources department of the University: Ms Ludivine Depas – tel.: +32 4 366 52 04 – Ludivine.Depas@uliege.be
