  - Observational Medicine placement IV: Pathological semiology TP [15h Pr.]
  - Integration of the principles of pathological semiology

Research Activities:

The applicant may propose new research directions, which will be submitted for consideration.

Services to the Community:

✓ Active participation in the Faculty of Medicine and the Department of Clinical Sciences;
✓ Supervision of doctoral theses and dissertations;
✓ Participation in various committees and commissions;
✓ Promotion of education and the institution.
Qualifications required / profile:

- Must hold a research doctorate.

Selection procedure:

Applications will be subject to a pre-selection on the basis of a dossier. Successful candidates will then be invited to an interview which may include the presentation of a public lecture.

Applications:

Applicants are requested to submit their applications electronically, to the following address: Postesacademiques@uliege.be with a copy to Ms Elisabeth Scherlizin E.Scherlizin@uliege.be no later than 28 February 2021.

Required documents:

- Applications should be accompanied by a complete curriculum vitae;
- A report on past and current research activities and a research plan, including the envisaged integration within the University of Liège;
- A teaching file including a report on any prior teaching activities and a teaching plan;
- A copy of publications.

Conditions of recruitment:

The position shall be assigned either from the outset on a permanent basis or for a fixed term of four years, which may lead to the permanent appointment of the person concerned.

In the case of a four-year appointment, an evaluation of the person concerned will be carried out at the end of the third year.

- If the evaluation is negative, the person concerned will complete the four-year term but will not be able to extend it.
- If the assessment is positive, the person concerned shall be appointed on a permanent basis.

Our institutional policy is based on diversity and equal opportunities. We select candidates according to their qualities whatever their age, sexual orientation, origin, beliefs, disability or nationality.

Information:

Any further information can be obtained from the Faculty of Medicine, Ms Elisabeth Scherlizin - tel: +32 4 366 42 99 – E.Scherlizin@uliege.be

Salary:

Salary scales and how they are applied are available from the human resources department of the University: Ms Ludivine Depas – tel.: +32 4 366 52 04 – Ludivine.Depas@uliege.be
