Part-time academic vacancy in the field of Simulation in Healthcare

Start date: 1 September 2021

Description of the course load:

A part-time (50%), indivisible position in the field of Simulation in Healthcare within the Department of Public Health Sciences. This workload shall comprise a maximum of 150 hours of teaching, including seminars and practical work, plus research activities in the field and services to the Community.

Teaching activities:

✓ Master’s in Public Health Sciences:
  - Theory of learning through simulation and technology [15h Th. 15h Pr]
  - Research and Ethics in Simulation [6h Th. 4h. Pr]
  - Communication Strategies - Difficult Conversations: Theory and Practice in Communication [10h Th. 8h. Pr] - Specific module on Critical Patients [8h Pr.]
  - Team working - Management, resources and crises: Theory and Practice in Communication [10h Th. 8h. Pr] - Specific module on Critical Patients [8h Pr.]

✓ Master’s in Nursing Sciences:
  - Communication strategies, including difficult conversations and team working (theory and practice) [7h Th., 8h Pr.]
  - Professional integration activities (practical workshops, simulation, etc.), Part I [20h Pr.]
  - Professional integration activities (practical workshops, simulation, etc.), Part II [20h Pr.]

✓ University Certificate in Environmental Health: the ecosystemic approach:
  - Ethics, communication and interdisciplinary work: Ethics and communication in Environmental Health [10h Th., 5h AUTR]

✓ Interuniversity Certificate in Simulation in Healthcare:
  - Theoretical training: Module 2 Different types of simulation [7h Th.], Module 4 Developing a simulation activity: from pre-briefing to debriefing [14h Th., 14h Pr.], Module 7 Developing a critical and scientific mind in simulation practice: evidence-based simulation [7h Th.], Module 9 Innovative technologies for simulation [7h Th.]
  - Practical training: Practical work, creation of an original scenario in groups of two [20h Pr.], Preparation placement at the Liège Medical Simulation Centre (Centre de Simulation Médicale de Liège) [10h Pr.]

Research Activities:

The applicant may propose new research directions, which will be submitted for consideration.

Services to the Community:

✓ Active participation in the Faculty of Medicine and the Department of Public Health Sciences;
✓ Supervision of doctoral theses and dissertations;
✓ Participation in various committees and commissions;
✓ Promotion of education and the institution.
Qualifications required / profile:

- Must hold a research doctorate.

Selection procedure:

Applications will be subject to a pre-selection on the basis of a dossier. Successful candidates will then be invited to an interview which may include the presentation of a public lecture.

Applications:

Applicants are requested to submit their applications electronically, to the following address: 
Postesacademiques@uliege.be with a copy to Ms Elisabeth Scherlizin E.Scherlizin@uliege.be no later than 28 February 2021.

Required documents:

- Applications should be accompanied by a complete curriculum vitae;
- A report on past and current research activities and a research plan, including the envisaged integration within the University of Liège;
- A teaching file including a report on any prior teaching activities and a teaching plan;
- A copy of publications.

Conditions of recruitment:

The position shall be assigned either from the outset on a permanent basis or for a fixed term of four years, which may lead to the permanent appointment of the person concerned.

In the case of a four-year appointment, an evaluation of the person concerned will be carried out at the end of the third year.

- If the evaluation is negative, the person concerned will complete the four-year term but will not be able to extend it.
- If the assessment is positive, the person concerned shall be appointed on a permanent basis.

Our institutional policy is based on diversity and equal opportunities. We select candidates according to their qualities whatever their age, sexual orientation, origin, beliefs, disability or nationality.

Information:

Any further information can be obtained from the Faculty of Medicine, Ms Elisabeth Scherlizin - tel: +32 4 366 42 99 – E.Scherlizin@uliege.be

Salary:

Salary scales and how they are applied are available from the human resources department of the University: Ms Ludivine Depas – tel.: +32 4 366 52 04 – Ludivine.Depas@uliege.be
