PART-TIME (0.20 FTE) ACADEMIC POST
FACULTY OF MEDICINE
FIELD: INFECTIOLOGY
START DATE: 01/09/2024

The University of Liège is the biggest French-speaking public university in Belgium. It has more than 5,700 members of staff in four campuses, including 3,600 teachers and active researchers in all fields of the human and social sciences, science and technology, and health sciences. It hosts nearly 27,000 students of 123 different nationalities in one of the most multicultural and dynamic cities in Europe, less than an hour from Brussels and Cologne, two hours from Paris and three hours from London and Amsterdam. Actively involved in the social and environmental transition, ULiège supports students in their roles as responsible citizens (training in sustainable development, Green Office, etc.) and promotes ethical, multidisciplinary and open research. ULiège is committed to the region in which it operates and contributes towards its socio-economic development. It has developed numerous partnerships, notably with the CHU de Liège. International and united, it participates in the European University of Post-Industrial Cities, UNIC initiative and has one of the most extensive collaborative networks in the world.

ULiège offers attractive career prospects in a high-quality working environment, promoting well-being, diversity and equality of opportunity. Since 2011, it has been proud to hold the European label Human resources strategy for researchers (HRS4R) which reflects its commitment to open, transparent and merit-based procedures. In addition, it recognises the quality and diversity of research in line with the recommendations of the Coalition for Advancing Research Assessment (CoARA). ULiège encourages the internationalisation of its academic staff and facilitates the arrival of international researchers through its EURAXESS centre.

JOB DESCRIPTION

A part-time (0.2 FTE), indivisible post in the field of Infectiology, within the Department of Clinical Sciences. This post includes a maximum of 60 hours of teaching activities, including seminars and practical work, in addition to the organisation and supervision of clinical internships, research activities in the field and services to the Community.

It will be proposed to the CHU’s Board of Directors that the successful candidate be entrusted with the management of the University Hospital Infectiology Department, in addition to academic activities, under contractual and financial terms to be defined with the CHU.

TEACHING ACTIVITIES

(Subject to changes as part of the curriculum reform).

Master’s in Medicine
- Immune and infectious pathologies [17h Th]
- Integration of knowledge including learning clinical reasoning and diagnostics III [50h ARC]
- Observational internship in medicine including practical semiology and simulation work (Q8)[20h Int]
- Internal medicine: integration of reasoning and clinical approaches
- Hospital internships in internal medicine [3 months Int]
- Internships to prepare for specialisation [6 months Int]
Continuing education and certificates

- Head of the University Certificate: Skills in Clinical Infectiology
- Participation in teaching and coordinating teaching of certificates and continuing education, including open courses.

As a minimum, the supervision of dissertations in also included in the teaching activities.

RESEARCH ACTIVITIES

The applicant may propose new research directions, which will be submitted for consideration. As a minimum, the supervision of doctoral theses will be included in the research activities.

SERVICES TO THE COMMUNITY

- Management of the university hospital service of Infectiology at the CHU of Liège;
- Active participation in the Faculty of Medicine and the Department of Clinical Sciences;
- Participation in various committees and commissions;
- Promotion of education and the institution.

QUALIFICATIONS REQUIRED / PROFILE

- Hold a research doctorate.
- Meet the conditions for supervising an internship.

SELECTION PROCEDURE

Applications will be short-listed on the basis of a dossier. Short-listed applicants will then be invited to an interview which will include the presentation of a public lecture.

Our institutional policy is based on diversity and equality of opportunity. We select candidates on the basis of their qualities regardless of age, sexual orientation, origin, beliefs, disability or nationality.

APPLICATIONS

Applications should be made using the online form available on the following website: https://my.uliege.be/portail/go_xt.do?a=o%7C11004%7Ce%7C570917 no later than 25/03/2024 (before midnight Belgian time). Late applications may be refused.

DOCUMENTS REQUIRED:

- Cover letter;
- Curriculum vitae download model HERE;
- Report on present and past research activities, as well as a research plan including envisaged integration within the University of Liège.
- Teaching dossier including a report on any prior teaching activities and a teaching plan;
- Plan for the direction and management of the university hospital department;
- A copy of publications in digital format.
RECRUITMENT CONDITIONS

The post-holder will be appointed either for a fixed term of four years, or definitively.

If the post is granted for a fixed term, an evaluation will take place during the third year.
- If this evaluation is negative, the appointment will end after the four-year period.
- If the assessment is positive, the person concerned shall be appointed on a permanent basis.
